

## ***Who is Tim Martin?***

*He is a man on a mission. He is out to prove to the world that living the Straight and Narrow doesn't have to be boring. And being blind doesn't mean that you are handicapped. Christian Rock/ Blues doesn't even begin to describe his style. He sings, writes, composes and plays just about any instrument. One minute, he'll be rippin' it up on guitar and the next touching your heart with a serious ballad on the piano. Gilbert Sanchez joins him on vocals and drums, along with rippin bassist, Johnny Gallegos and shredder guitarist, John Gonzales. Tim's influences range from Beethoven to The Beatles, from Stevie Ray Vaughan to Phil Keaggy. The Blues creep in there somewhere from his Southern Roots in Macon , Georgia.*

*Grants locals may recognize Tim from his ministry at Calvary Christian Fellowship, where he leads the Praise and Worship Team along with Johnny Gallegos and Gilbert when he is in town. This little congregation has outgrown four buildings in the last few years partly due to these rockin' spirit-filled musicians. Kick back with us and let the music fill your soul. It's kind of like those Pop Tarts with fiber – the music is so great you'll forget it's good for you. It ain't yore Daddy's Christian music. Get ready to move your soul. Give a listen to the title cut from his new cd "The Narrow and the Straight."*
